STATEMENT TO REVIVE ABANDONED APPLICATION

Assistant Commissioner for Patents

Washington, DC 20231

Attn: PCT Legal Staff

Applicants filed the above-identified application to the United States Designated Office Under 35 U.S.C. 1.371 on March 7, 2002. However, Applicants erroneously typed the wrong deposit account number on the Transmittal Letter form. Applicants were unaware of the error until it was brought to their attention by the U.S. Patent Office in another application. The Deposit Account Number 14-1460 listed on the second page of the Transmittal Letter form was incorrect and should have read 14-0460. Applicants state that the error was done unintentionally and hopes that the Petition to Revive of the International Application will be granted.

Dated: June 13 2002.

Respectfully submitted,
